Dear Colleagues,

We are delighted to invite you to the 15th Annual Conference of the Indian Society for Trauma & Acute Care (ISTAC), set against the vibrant backdrop of Mumbai – a city where tradition meets innovation.

This year's conference promises an enriching blend of cutting-edge academic sessions, interactive workshops, and thought-provoking discussions led by leading voices in trauma and acute care. Beyond the scientific program, we've thoughtfully crafted experiences that embrace Mumbai's charm – from its historic landmarks and bustling bazaars to local arts, cuisine, and coastal serenity.

November in Mumbai offers the perfect weather – bright, breezy, and welcoming – ideal for exploring the city or enjoying time with family and colleagues.

We encourage you to register and be part of this unique celebration of knowledge, culture, and camaraderie. Join us as we bring together expertise and experience under one roof, building connections that go beyond the emergency procedure room.

Come for the science. Stay for the experience.

We look forward to welcoming you to TRAUMA 2025 in Mumbai!

Warm regards,

Organizing Committee
